

9TH
ANNUAL CONFERENCE ON HEPATOLOGY AND HEPATITIS 2018
September 06-07, 2018 Paris, France

To,
Federación Argentina de Gastroenterología (FAGE)

Greetings from Hepatology & Hepatitis 2018..!

On Behalf of EuroSciCon Organizing Committee members of “**9th Annual Conference on Hepatology and Hepatitis**”, I take the great pleasure in inviting your society to collaborate with our Conference the **Hepatology & Hepatitis 2018** during September 06-07, 2018 in Paris, France. You are warmly welcomed to project your ground-breaking works through your presentation at the conference.

The main theme of the conference is “**Research and Treatment of Hepatitis and Pancreatic Diseases**”, which covers a wide range of critically important sessions concentrating on

- Hepatology
- Hepatocellular Carcinoma and Pancreas Cancer
- Clinical Liver Transplantation and Liver Surgery
- Drug Discovery for Treatment of Hepatitis
- Liver Inflammation and Immunology
- Hepatitis Vaccination
- Liver Failure
- Hepatic encephalopathy
- Gene Expression on Hepatitis
- Pancreatitis
- MR Elastography

For more details kindly let us know your interest towards the conference.
Awaiting your early response

With Best Wishes,
Hazel Grace
